A valuable Discovery and New Departure in Medical Science, an entirely New and positively effective Remedy for the speedy and permanent Cure of Seminal Emissions and Impotency by the only true way, viz: Direct Application to the principal Seat of the Disease, acting by Absorption, and exerting its specific influence on the Seminal Vesicles, Ejaculatory Ducta, Proetate Gland, and Urethra. The use of the Remedy is attended with no pain or inconvenience, and does not interfere with the ordinary pursuits of life; it is quickly dissolved and soon absorbed, producing an immediate soothing and restorative effect upon the saxual and nervous organizations wrecked from self-almes and excesses, stopping the drain from the system, restoring the mind to health and sound memory, removing the Dinness of Sight, Nervous Debility, Confusion of Ideas, Aversion to Society, etc., etc., and the appearance of premature old age usually accompanying this trouble, and restoring perfect Sexual Vigor, where it has been dormant for years. This mode of treatment has stood the test in very severe cases, and is now a pronounced success. Drugs are too much prescribed in these troubles, and, as many can bear witness to, with but little if any permanent good. There is no Nonsense about this Preparation. Practical observation enables us to positively guarantee that it will give satisfaction. During the eight years that it has been in general me, we have thousands of testimonials as to its value, and it is now conceded by the Medical Profession to be the most rational means ret discovered of reaching and curing this very prevalent trouble, that is well known to be the came of untold misery to so many, and upon whom quacks prey with their useless nostrums and big fees. A DISCOVERY BY ACCIDENT, A DISCOVERY BY ACCIDENT, which supplies a want men of cainent ability have devoted years of study and experiment to find—a specific for diseases of the Kidneys, Bladder, Urinary Organs and Nervous System—and from the time of its discovery has rapidly increased in favor, gaining the approval and confidence of medical men and those who have usedit; it has become a favorite with all classes and wherever introduced has superseded all other treatments. In short, such is its intrinsic merit and superiority, that it is now the only recognized reliable remedy.

DISEASES OF THE KIDNEYS are the most prevalent, dangerous and fatal affec-

are the most prevalent, dangerous and fatal affections that afflict mankind, and so varied and insidious in their character, that persons often suffer for a long time before knowing what alls them. The most characteristic symptoms are gradual wasting away of the whole body; pain in the back, side or loins; a weak, feeble, exhausted feeling; loss of appetite and dread of exercise; scanty and painful discharge of variously colored urine; inability to retain or expel the n ine; minute shreds or casts in the urine; and, when the disease is of long duration, there is much emaciation and general nervous prostration.

THE ONLY CURE. We say positively, and without fear of contradiction, that bay's KIBNEY PAD is the first and only infallible cure for every form of Kidney disease. It is the best remedy yet discovered for this complaint, and more effectual in its operation than any other treatment. By using faithfully and persistently no case will be found so inveterate as not to yield to its powerful remedial virtues.

We have the most unequivocal testimony to its curative powers from many persons of high character, intelligence and responsibility. Our book, "How a Life was Saved," giving the history of this new discovery, and a large record of most remarkable cures, sent free. Write for it.
